Purpose

The Upper Bucks County Technical School recognizes that student wellness and proper nutrition are related to students' physical well-being, growth, development and readiness to learn. The Joint Operating Committee is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education and promotion, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.

Authority

The Joint Operating Committee adopts this policy based on the recommendations of the Wellness Committee and in accordance with federal and state laws and regulations.[1][2][3]

To ensure the health and well-being of all students, the Joint Operating Committee establishes that the Upper Bucks County Technical School shall provide to students:

1. A comprehensive nutrition program consistent with federal and state requirements.
2. Access at reasonable cost to foods and beverages that meet established nutrition guidelines.
3. Physical education courses and opportunities for developmentally appropriate physical activity during the school day.
4. Curriculum and programs that are designed to educate students about proper nutrition and lifelong physical activity, in accordance with State Board of Education curriculum regulations and academic standards.

Delegation of Responsibility

The Executive Director or designee shall be responsible for the implementation and oversight of this policy to ensure the Upper Bucks County Technical School's, programs and curriculum are compliant with this policy, related policies and established guidelines or administrative regulations.[2][3]

The designated building administrator shall annually report to the Executive Director or designee regarding compliance in his/her building.[3]

Staff members responsible for programs related to school wellness shall report to the Executive Director or designee regarding the status of such programs.

The Executive Director or designee shall annually report to the Joint Operating Committee on the Upper Bucks County Technical School's compliance with law and policies related to school wellness. The report may include:

1. Evaluation of food services program.

The Executive Director or designee and the established Wellness Committee shall conduct an assessment at least once every three (3) years on the contents and implementation of this policy as part of a continuous improvement process to strengthen the policy and ensure implementation. This triennial assessment shall be made available to the public in an accessible and easily understood manner and include:[2][3]

1. The extent to which the Upper Bucks County Technical School is in compliance with law and policies related to school wellness.
2. The extent to which this policy compares to model wellness policies.
3. A description of the progress made by the Upper Bucks County Technical School in attaining the goals of this policy.

At least once every three (3) years, the Upper Bucks County Technical School shall update or modify this policy as needed, based on the results of the most recent triennial assessment and/or as Upper Bucks County Technical School and community needs and priorities change; wellness goals are met; new health science, information and technologies emerge; and new federal or state guidance or standards are issued.[3]

The Upper Bucks County Technical School shall annually inform and update the public, including parents/guardians, students, and others in the community, about the contents, updates and implementation of this policy via the Upper Bucks County Technical School website, student handbooks, newsletters, posted notices and/or other efficient communication methods. This annual notification shall include information on how to access the School Wellness policy; information about the most recent triennial assessment; information on how to participate in the development, implementation and periodic review and update of the School Wellness policy; and a means of contacting Wellness Committee leadership.[2][3]

Guidelines

Recordkeeping

The Upper Bucks County Technical School shall retain records documenting compliance with the requirements of the School Wellness policy, which shall include:[3][4]

1. The written School Wellness policy.
2. Documentation demonstrating that the Upper Bucks County Technical School has informed the public, on an annual basis, about the contents of the School Wellness policy and any updates to the policy.
3. Documentation of efforts to review and update the School Wellness policy, including who is involved in the review and methods used by the Upper Bucks County Technical School to inform the public of their ability to participate in the review.
4. Documentation demonstrating the most recent assessment on the implementation of the School Wellness policy and notification of the assessment results to the public.

Wellness Committee

The Upper Bucks County Technical School shall establish a Wellness Committee comprised of, but not necessarily limited to, at least one (1) of each of the following: Joint Operating Committee member, Upper Bucks County Technical School administrator, food service representative, student, parent/guardian, school health professional, physical education teacher and member of the public. It shall be the goal that committee membership will include representatives from each Upper Bucks County Technical School building and reflect the diversity of the community.[2]

The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing, implementing and periodically reviewing and updating a School Wellness policy that complies with law to recommend to the Joint Operating Committee for adoption.

The Wellness Committee shall review and consider evidence-based strategies and techniques in establishing goals for nutrition education and promotion, physical activity and other school based activities that promote student wellness as part of the policy development and revision process.[3]

Individuals who conduct student medical and dental examinations in the Upper Bucks County Technical School shall submit to the Advisory Health Council annual reports and later reports on the remedial work accomplished during the year.

Nutrition Education

Nutrition education will be provided within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.[5][6][7]

Nutrition education shall be integrated into our CTE subjects to complement but not replace academic standards based on nutrition education.

Nutrition Promotion

Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.

The Upper Bucks County Technical School shall promote nutrition through the implementation of Farm to School activities, where possible. Activities may include, but not be limited to, the initiation/maintenance of gardens, taste-testing of local products in the cafeteria and classroom, classroom education about local agriculture and nutrition, field trips to local farms and incorporation of local foods into school meal programs.

The Upper Bucks County Technical School staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.

The Upper Bucks County Technical School food service personnel shall review and implement research-based, behavioral economics techniques in the cafeteria to encourage consumption of more whole grains, fruits, vegetables and legumes, and to decrease plate waste.

Physical Activity

A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

Physical Education

A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All enrolled

students must participate in physical education if provided by the Upper Bucks County Technical School.[6][7][9]

Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.

A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.

A varied and comprehensive curriculum that promotes both team and individual activities and leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.

Physical education shall be taught by certified health and physical education teachers.

Appropriate professional development shall be provided for physical education staff.

Physical activity shall not be used or withheld solely as a form of punishment.

Other School Based Activities

Drinking water shall be available and accessible to students, without restriction and at no cost to the student, at all meal periods and throughout the school day.[10][11]

Nutrition professionals who meet hiring criteria established by the Upper Bucks County Technical School and in compliance with federal regulations shall administer the school meals program. Professional development and continuing education shall be provided for nutrition staff, as required by federal regulations.[8][12][13][14]

The Upper Bucks County Technical School shall provide adequate space, as defined by the Upper Bucks County Technical School, for eating and serving school meals.

Students shall be provided a clean and safe meal environment.

Students shall be provided adequate time to eat: twenty (20) minutes sit down time for lunch.

Students shall have access to hand washing or sanitizing before meals and snacks.

The Upper Bucks County Technical School shall support the efforts of parents/guardians to provide a healthy diet and daily physical activity for children by communicating relevant information through various methods.

Nutrition Guidelines for All Foods/Beverages at Upper Bucks County Technical School

All foods and beverages available in the Upper Bucks County Technical School during the school day shall be offered to students with consideration for promoting student health and reducing obesity.

Foods and beverages provided through the National School Lunch or School Breakfast Programs shall comply with established federal nutrition standards.[10][11][12][13]

Foods and beverages offered or sold at Upper Bucks County Technical School sponsored events outside the school day, such as athletic events and dances, shall offer healthy alternatives in addition to more traditional fare.

Competitive Foods -

Competitive foods available for sale shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School). These standards shall apply in all locations and through all services where foods and beverages are sold to students, which may include, but are not limited to: a la carte options in cafeterias, vending machines, Upper Bucks County Technical School stores, snack carts and fundraisers.[3][15][16]

Competitive foods are defined as foods and beverages offered or sold to students on school campus during the school day, which are not part of the reimbursable school breakfast or lunch.

For purposes of this policy, **school campus** means any area of property under the jurisdiction of the Upper Bucks County Technical School that students may access during the school day.[3][15]

For purposes of this policy, **school day** means the period from midnight before school begins until thirty (30) minutes after the end of the official school day.[3][15]

The Upper Bucks County Technical School may impose additional restrictions on competitive foods, provided that the restrictions are not inconsistent with federal requirements.[15]

Fundraiser Exemptions -

Fundraising activities held during the school day involving the sale of competitive foods shall be limited to foods that meet the Smart Snacks in School nutrition standards, unless an exemption is approved in accordance with applicable Joint Operating Committee policy and administrative regulations.[17]

The Upper Bucks County Technical School may allow a limited number of exempt fundraisers as permitted by the Pennsylvania Department of Education each school year: up to ten (10) exempt fundraisers. **Exempt fundraisers** are fundraisers in which competitive foods are available for sale to students that do not meet the Smart Snacks in School nutrition standards.[15]

The Upper Bucks County Technical School shall establish administrative regulations to implement fundraising activities, including procedures for requesting a fundraiser exemption.

Non-Sold Competitive Foods -

Non-sold competitive foods available to students, which may include but are not limited to foods and beverages offered as rewards and incentives, at classroom parties and celebrations, or as shared classroom snacks, shall meet or exceed the standards established by the Upper Bucks County Technical School.

If the offered competitive foods do not meet or exceed the Smart Snacks in School nutrition standards, the following standards shall apply:

1. Rewards and Incentives:

- a. Foods and beverages shall not be used as a reward or incentive in the Upper Bucks County Technical School.

2. Classroom Parties and Celebrations:

- a. Classroom parties/celebrations with food/beverages shall be limited to no more than one (1) per month in each classroom.

The Upper Bucks County Technical School shall provide a list of suggested nonfood ideas and healthy food and beverage alternatives to parents/guardians and staff, which may be posted via the Upper

Bucks County Technical School website, student handbooks, newsletters, posted notices and/or other efficient communication methods.

Marketing/Contracting -

Any foods and beverages marketed or promoted to students on the school campus during the school day shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School) and comply with established Joint Operating Committee policy and administrative regulations.[3][15]

Exclusive competitive food and/or beverage contracts shall be approved by the Joint Operating Committee, in accordance with provisions of law. Existing contracts shall be reviewed and modified to the extent feasible to ensure compliance with established federal nutrition standards, including applicable marketing restrictions.[18]

Upper Bucks County Technical School Management of Food Allergies

The Upper Bucks County Technical School shall establish Joint Operating Committee policy and administrative regulations to address food allergy management in the Upper Bucks County Technical School in order to:[19]

1. Reduce and/or eliminate the likelihood of severe or potentially life-threatening allergic reactions.
2. Ensure a rapid and effective response in case of a severe or potentially life-threatening allergic reaction.
3. Protect the rights of students by providing them, through necessary accommodations when required, the opportunity to participate fully in all Upper Bucks County Technical School programs and activities.
